## BOARDING REQUIREMENTS

ALL TESTING AND A PHYSICAL EXAMINATION MUST BE DATED WITHIN ONE YEAR PRIOR TO BOARDING START DATE AND BIRD MUST HAVE FULL APPROVAL BY A VETERINARIAN EXPERIENCED IN AVIAN MEDICINE PRIOR TO BOARDING. IN ADDITION, IF YOUR PARROT HAS SHOWN ANY SIGN OF ILLNESS IN THE LAST SIX MONTHS, A NEW VET CHECK WILL BE REQUIRED.

Inca's Secret requires the following as part of the required pre-boarding health check:

We require proof of a negative test (once in the bird's lifetime) for each of the following:

- Pacheco's Disease (PDV)
- Psittacosis
- Psittacine Beak & Feather Disease (PBFD)
- Avian Bornavirus (ABV)
- Polyoma (if the bird is under 4 years of age)

We require the following tests be performed every 12 months:

- CBC-White blood count/ Blood Cam (blood profile)
- Gram Stain

Note: Inca's Secret is not responsible for any costs included for the standard check-up or any additional testing that may be required. Once the initial testing has been completed, our boarding costs are competitive with any standard boarding facility.

Please have your veterinarian fax or email us these records, stating "approved to board" if possible. Our fax number is (253) 437-1315, our email address is IncasSecret@gmail.com

I understand that these requirements are for the health and well-being of my bird as well as all the birds at Inca's Secret.
